

Southern Indiana Anesthesia Consultants is a division of our local mega group One Anesthesia. Your opportunity to be part of a growing private practice group in the “biggest small town in the Midwest” - Louisville, KY metro area. We are proud to say we hired the first CAA in Indiana and we are 100% CAA's and MD's. We have what you are looking for. Being part of our group, you have the opportunity to practice fast-paced outpatient surgery or focus on high acuity inpatient cases. Our MD's extremely supportive and respectful of our CAA's. Great variety for new grads or the chance to hone skills in your area of interest. Officially in Southern Indiana the sites we cover are minutes from Louisville, KY. You have the option to live in rural Southern Indiana or the faster pace of the Derby City. Whichever you choose, you will be able to experience the many wonderful features of the area : Kentucky Derby and Derby Festival - Top Foodie Destination - Top Destination for Young Professionals – “America's Most Livable City” - ACC, Big Ten, and SEC Sports - Louisville City FC with brand new stadium - Minor League Baseball - Music Festivals - Outdoors from paddling, biking, hiking the world's largest cave system, climbing the largest crag east of the Mississippi - you get to see where Bourbon really comes from. Low cost of living!!
