Hurricane Harvey Relief

AAAA Members are offering support to those affected by Hurricane Harvey. Please join your peers in donating to the American Red Cross by clicking [here](#).

A note from Emory University Student Class Leader, Ellie Kirst:

"As an effort to help our fellow AA students at Case Western-Houston affected by Hurricane Harvey, we are gathering gift cards, supplies and monetary donations. Houston, among many other parts of Texas, is experiencing catastrophic flooding and property damage from the hurricane that surged through this past weekend. It is estimated that 30,000 people in Houston alone will need shelter as a result. Combined efforts nationwide are needed to help these people - this is where we step in! We are collecting gift cards (Walmart, Lowe's, Home Depot etc) and other monetary donations to send to the Director of Case Western's AA program. Any donation will help as the students in this program, like the many others throughout Texas, get back on their feet after this storm."

To help and/or donate, please contact Ellie Kirst, at ekirst@emory.edu
